APWH-M
Mapping Assignment - Summer 22-23

It is CRUCIAL that you have a strong sense of the location of places in the world in order for the content of our course to make sense. If you do not LOVE maps, well now is the time to at least appreciate that maps can convey volumes of information and the LOCATION of places often influences events that happen there.

(*1.1 AP World Regions*)

Map 1: Large Outline Map of the World

On the map - neatly label the regions and physical features listed below in the COLOR indicated in parentheses.

You will reference this map throughout the year so ink and colored pencils make sense and make it VERY readable.

- Use the "Big Picture View" and "A CLoser Look" maps provided

(Red)	North America
(Green)	Latin America [Central & South America & the Caribbean]
(Orange)	North Africa
