April 30, 2020

RSU 16 Staff, Families and Community,

In response to Governor Mills' "Stay Safer At Home" order extending to May 31, and public gathering restrictions staying at up to 10 people until at least June 1, RSU 16 will be extending remote learning for the remainder of the school year, with the last day of remote learning being June 5 and the last day of school for PreK-11 students and all staff June 12. The last day of remote learning for our Seniors will be May 22 and the last day of school will be May 29.

More information regarding end of the year plans will be finalized in the next few weeks. We will update families as information is available.

Food Service - We will continue our Breakfast and Lunch program until June 12, 2020. If anyone is in need of breakfast and lunch and is unable to get to one of the delivery points or bus stops, please contact Ellen Dore, 754-2834 or edore@rsu16.org.

Student-Teacher engagement and Remote Learning - It continues to be our goal to be a source of support during this pandemic. We understand that each household's circumstances are different. When it comes to emergency remote learning, all that we ask is that you do the best that you can. We remain steadfast in maintaining and strengthening relationships and staying engaged with our students and families. We want to know all of our students and families are okay, we miss them, and we are here to help.

We appreciate all your continued efforts to support students working at home, practicing social distancing and taking universal precautions as we work to be safe and healthy.

Sincerely,

Ken Healey and Amy Hediger
