Dear Families,

On behalf of the staff at Minot Consolidated School, I am happy to welcome you to the 2017-2018 school year which is quickly approaching! I hope that you and your family have enjoyed the summer, and that you are looking forward to the new school year as much as we are! We are all excited to have students back in our classrooms and hallways, filling them with energy and enthusiasm for learning. At Minot Consolidated School, we are committed to providing every member of our community with a safe and positive learning environment where continued growth for student learners is our key focus.

I want to give a big thank you to our staff for all their efforts in preparing the school for the arrival of students. I have been overwhelmingly impressed with the dedication of the staff at MCS. While the students may have been on vacation, the school remained a busy place, with staff taking their vacation time to come in and prepare for the new school year. The teachers have worked hard getting their rooms organized, planning lessons, and attending various committee team meetings. Office staff and custodial staff have also worked hard in getting the school clean and ready for the new school year. I am so appreciative of all the support they have offered me as they have welcomed me into my new position!

I look forward to seeing you at open house Tuesday, August 29, 2017 from 5:00-6:00. Open house provides you and your child with the opportunity to meet your child's teacher, see the classroom, and get excited about the first day of school on Wednesday, August 30th. Please be sure to read the accompanying Mustang Family Newsletter for additional information and important dates!

Finally, I want to say thank you to all our families for the support you give us. You make such a difference in our ability to succeed at Minot Consolidated School. I am honored to serve as the principal at MCS. It is truly a privilege to be a part of a community where parents, teachers, and students care for each other and strive to build positive relationships that support academic and social growth. If you have any questions or concerns, please feel to contact me at (207) 346-6471 or at kbrown@rsu16.org.

Thank you,

Kaitlynn Brown
