

August 18, 2016

Dear Minot Consolidated Parents, Family and Friends,

Welcome to the 2016 -17 School year! I hope that you and your children have found some time to play, read and relax together. I remember how special summer days were when my children were young and all the summertime memories that still find their way into our, now, adult conversations. Times are very busy these days and with all the communication methods available through social media it is easy to get distracted from our most precious relationships with our own children. You will always look back and be thankful for the times that you “unplugged” and just “were” with your children.

I look forward to another fantastic year with the staff, students and parents at Minot Consolidated School. The teaching, custodial and office staff at MCS are getting the building and classrooms ready to welcome students back into. Some of our teaching staff have participated in a variety of summer learning opportunities that have focused on instruction, curriculum, and school climate. The purpose of all of this work is to refine our educational practices of teaching and learning and increase student achievement for all students.

It is important to remember that Minot Consolidated School is a nationally recognized High Achieving 2015 Blue Ribbon School. This award remains a source of extreme pride for the Minot community as well as a standard that we strive to maintain. Together, we will continue to prepare each and every student to be a model citizen, caring classmate, and responsible learner. If you have been watching the Olympics, you can see how hard work, focus, dedication and support can bring home the gold! As a Blue Ribbon School, I would say that the students at Minot Consolidated School are Academic Olympians thanks to the staff at MCS and the support that they get from you – their parents.

Thank you for continuing to support the work we all do at Minot Consolidated School for your children. I look forward to seeing you at open house Monday, August 29 from 5:00 – 6:00. This is a time for you to meet your child’s teacher, see the classroom and continue in the excitement that comes from learning and growing.

Sincerely,

Kim Spencer
Principal
Minot Consolidated School

Important Upcoming Events On Back
