

New Traffic Pattern and Student Drop Off

As many of you know, there is a new front lot traffic pattern and student drop off procedure. For parents who drive their children to school in the morning, please follow these steps.

- Follow the arrows for entering and exiting the front lot traffic circle. This is now a one-way circle.
- Stop and drop your children off at the Student Drop Off sign.
- Exit the lot.

We would ask that you do not park and walk into school, as our goal is to make arrival safer for everyone by eliminating pedestrian traffic combining with vehicle traffic.

All buses will now use the bus circle. There will be no buses in the front lot.

Thank you for your cooperation with these changes.
