

POLAND SCHOOL COMMITTEE	CODE: ADF Page: 1
SUBJECT: SCHOOL DISTRICT COMMITMENT TO LEARNING RESULTS	
DATE OF ORIGINAL POLICY: February 2005 REVISION DATE:	
JURISDICTION: Poland Community School; Bruce M. Whittier Middle School	

The Poland School Committee hereby adopts Maine’s system of Learning Results. The Learning Results System is intended to serve as a foundation for education reform and to promote and provide assessment of student learning, accountability and equity. The Poland School Committee recognizes that the legislative intent of the Learning Results System is to provide children with schools that reflect high expectations and create conditions where these expectations can be met.

The Poland School Committee understands that implementation of the Learning Results System and the mandate to provide all students with equitable opportunities to meet the content standards of the system of Learning Results have broad implications for the Poland school, including curriculum, budget, professional development, student assessment, professional evaluation and graduation requirements. Therefore, the Poland School Committee is committed to examining its policies and school system practices to ensure that they are consistent with the intent and goals of the Learning Results System. This will require a concerted and coordinated effort involving the Poland School Committee, the Superintendent, administrators, teachers, parents/guardians, students and the community.

The Poland School Committee directs the Superintendent to develop a plan and timeline for implementing the learning results system, and any appropriate administrative procedures. The Poland School Committee further directs the Superintendent or designee to report to the Poland School Committee on at least an annual basis on the progress toward implementing the Learning Results System.
