CANCELS POLICY CODE:	N/A
REVISION DATE:	April 2003
JURISDICTION:	Poland Regional High School

PHILOSOPHY:

In accordance with current statutes (Title 20-A MRSA, section 7), the Poland High School Committee establishes this policy. It is a matter of State Law that school properties, that are obsolete or no longer of use to the school department, be declared surplus and disposed of under the guidelines of this policy. This policy refers to personal property (supplies, materials, equipment) and not real property.

POLICY:

The Superintendent is authorized to determine, through procedures he/she develops, when personal property (supplies, materials, equipment), as distinguished from real property, is obsolete or no longer of use to the school unit and to declare it surplus.

The Committee is to be informed of any property declared surplus by the Superintendent prior to its disposal. Procedures for disposal of all surplus personal property shall be in accordance with the following:

- A. Other municipal departments are to be informed in writing of property declared surplus and are to have first option to purchase. The charges for municipal purchases shall be determined by the Superintendent after consultation with the School Committee.
- B. Surplus property, including books, to be offered for sale shall be disposed of by sealed bid, public auction, or public sale. Public notice of any sale of surplus property shall be given at least one week in advance of an auction, sale or opening of sealed bids.
- C. Library books, textbooks and instructional materials are to be disposed of by a means most likely to offer promise of continuing educational benefit, first to citizens of the school unit, then to others.
- D. Any surplus property which is offered for public sale and is not sold may be disposed of in a manner deemed advisable by the Superintendent, including donation to non-profit agencies.
- E. Any property determined to be worthless, or for any reason is considered to be inappropriate for sale, shall be disposed of in a manner the Superintendent deems appropriate after so informing the Board, with recycling as a priority where feasible.
- F. Any school unit identification that has been applied to the surplus property shall be removed or, if not possible to remove, be further identified to indicate the intended disposition and surplus nature (i.e., "SOLD BY", "SURPLUS").
