**PHILOSOPHY:**

It is the philosophy of the Poland High School Department that the local school department will comply with State and Federal Regulations to carry the intent of the individualized education programs.

**POLICY:**

It shall be the policy of Poland High School Department to maintain a complete individualized education program (IEP) for each student who has been identified with a disability and in need of special education services under state and federal special education laws, and who is in attendance at Poland public schools. The Poland High School Department shall develop these IEPs in a manner consistent with the procedural requirements of state and federal special education laws.

Student IEPs shall be reasonably calculated to provide the identified student with educational benefits in the least restrictive educational environment. The Poland High School Department shall ensure that such IEPs are in effect within 30 days of when a student is first identified as in need of special education services and that IEPs are reviewed at least annually, as prescribed by state and federal special education laws.
