<b>JURISDICTION:</b> Poland Regional High School	

**PHILOSOPHY:** It is the philosophy of the Poland High School Committee that educational records are legal documents that must be maintained with confidentiality and in accordance with Federal and State Laws.

**POLICY:**

It shall be the policy of the Poland High School Committee to provide for the confidentiality of all student education records that are maintained by the Poland High School Committee as required by both Maine Law and Federal Family Educational Rights and Privacy Act (FERPA).

The Poland High School Committee shall provide annual notification to the parents of students currently in attendance and to eligible students (18 years old or older) of their rights in relation to the student education records being maintained by the Poland High School Committee.

The Poland High School Committee has designated the following information about students as directory information: name, the student’s participation in officially recognized activities and sports, height and weight of student athletes and grade level in school of students in extracurricular activities, date of attendance at Poland schools, and honors and awards received.

The Poland High School Committee may disclose directory information about students in attendance if it has given the notification required by FERPA to parents of the students and to eligible students and has not received timely written notice refusing permission to designate some or all of the types of information about a student as directory information.

Under Maine Law, the Poland High School Committee shall not publish on the Internet without written parental consent any information, whether directory or otherwise, that identifies a student including, but not limited to, the student’s full name, photograph, personal biography, e-mail address, home address, date of birth, social security number, and parents’ names.

The Superintendent, in consultation with other school administrators of the Poland High School Committee, shall develop and promulgate procedures for implementing this policy and may, from time to time, amend those procedures as necessary.
