

# RSU 16 School Board Administrative Report

**Jenny Rose**  
**Director, Adult Education**  
**December 2021**

## **Winter/Spring Brochure**

Our next brochure, which includes four pages from our District schools, is scheduled to be in mailboxes during the first two weeks in January. In addition to our regular academic classes, we are working with community instructors to offer several enrichment classes from late January through May. The content of these classes ranges from fitness and informational sessions to hobbies and crafts. Masking will be required at all classes until further notice.

When answering the question, “How did you hear about this class?”, about half of respondents since January 2019 indicated they saw it in the brochure that was mailed to their home.

## **Supporting Learners**

- We added another graduate to our list at the end of November.
- Two of our students have enrolled in college classes for the upcoming semester after working with us to be better prepared for the transition, and we have supported another with enrollment at JobCorps in Limestone.
- We are also working with Community Concepts Workforce Program staff to assist a few students with placement into employment.
- In the next couple of weeks through the beginning of January, we are anticipating at least 6-8 new student enrollments.

## **Professional Development**

This month we are participating in professional development opportunities offered through Educate Maine, Maine Adult Education Association, the UMaine system, and the Maine Department of (Adult) Education.

## **McKinney Vento Homeless Liaison**

To date this school year, we have identified 5 McKinney Vento homeless youth in our schools – students who lack a FIXED, ADEQUATE and REGULAR nighttime residence.
