Holly Day, Director

December 13, 2021

- Current Openings:
 - Poland Community School Social Worker (currently being filled part time by a contracted provider)
 - Ed Techs across the District

- Because Special Education is presenting at tonight's meeting, I will use this Board Report to express my gratitude for all the special education staff—the teachers, the specialists, the educational technicians, team leaders, the School Psych examiner, the Dean and my administrative assistant for their patience, their flexibility, their care and commitment to our students, and their general willingness to show up to work every day in what is arguably one of the most challenging and exhausting school years we have ever had. Having said that, I need extend this gratitude to every employee of the RSU 16 school district—every role and every person is so very important to the day to day operations and teaching of our students. I feel very fortunate to work with all of you. Thank you.
