## **Adult Education and Family Literacy Week**

*Teach the parent; Reach the child.* We celebrated AEFL week during the week of with student activities - including a tea social, lunch, and a gift card give away for student attendance. We also posted messages on social media about the power of Adult Education. *Low-skilled adults are more likely to be unemployed, in poverty, in poor health, and even incarcerated. Educating adults helps families break out of intergenerational poverty and creates stronger communities.*

## **Community Enrichment Classes**

Registrations are coming in for over a dozen classes scheduled for October and November. These include health, exercise, youth safety, career exploration, free college, sewing, finance... Do you know someone who would make a great Sub for RSU 16? Send them to the no-obligation training we have scheduled from 9-11 am on October 6<sup>th</sup> in the conference room at ESS!

Close to 60% of current registrants report having found our class in the brochure mailing that went out to our Tri-Town community recently. Facebook and word of mouth are other popular sources for promotion.

## **Professional Development**

On October 11<sup>th</sup>, we will be participating in a workshop day at the Lewiston CareerCenter with 9 other programs in our Adult Education Hub (Androscoggin and Oxford Counties). Using Maine College and Career Access grant funding to support the day's collaboration, we will be focusing on Assessment, Advising, Pathways and Marketing across all of our programs.

## **McKinney Vento Homeless Liaison Report**

To date this school year, we have identified 5 McKinney Vento youth in our schools – students who lack a FIXED, ADEQUATE and REGULAR nighttime residence.
