

SPECIAL EDUCATION BOARD REPORT

Holly Day, Director

October 3, 2022

- We are still looking for:
 - Whittier/PRHS Academic Team Leader
 - Functional Life Skills Teacher at PRHS
 - Ed Techs across the District, particularly at the high school

- I recently attended a workshop on transition planning for high school students and I look forward to working with our special ed team at PRHS to improve our services and outcomes for students when they leave PRHS.

- The State Audit work has begun. On October 5th we will have the opportunity to meet with the K-12 special ed team and will review what the state is looking at this year, and the self-assessment forms case managers will do for each of their student files.
