## **Brochure**

Our Winter/Spring session will run from January 3 through June 8. More about our programming can be found on our website at <https://mechanicfalls.maineadulted.org/> Our paper brochure will be in tri-town mailboxes by January 15 and will be distributed to many community locations as well. In addition to academic instruction, we will be offering classes on sewing, notary public, youth safety, exercise, nutrition, career exploration, and many more. Don't miss the four pages at the end, dedicated to news and photos from district schools!

## **Facilities Update**

We have new heat pumps! This has made a big difference in having consistent temperatures throughout our Learning Center. We appreciate everyone who was involved in making this happen.

## **McKinney Vento Homeless Liaison Report**

To date this school year, we have identified 13 McKinney Vento youth in our schools. These are students who lack a FIXED, ADEQUATE and REGULAR nighttime residence.
