## Academic Participation July – present

## Participation by Age

## Community Enrichment Classes

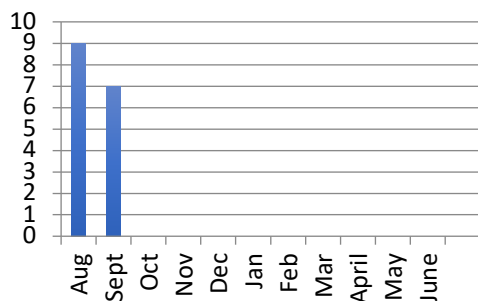

Registrations have been coming in for over a dozen classes scheduled from September through December. To date we have received 68 registrations for sessions on health, exercise, youth safety, sewing, estate planning, finance... We also have a Substitute Teacher Training scheduled from 9-11 am on October 11 in the conference room at ESS with 14 registrations. Approximately 60% of current registrants report finding their class through the brochure mailing that went out to our Tri-Town community. Facebook and word of mouth are other popular sources for promotion.

## McKinney Vento Homeless Liaison Report

To date this school year, we have identified **16** McKinney Vento youth in our schools – students who lack a FIXED, ADEQUATE and REGULAR nighttime residence. Numbers over the last ten years for August and October have ranged from 4 to 11.

We are required to provide transportation or reimbursement in coordination with other districts for all McKinney Vento students who need it. We are currently transporting or providing mileage reimbursement for 10 of our own students who are staying outside the district; and we are working with other schools for 6 more.
