

SPECIAL SERVICES BOARD REPORT

Jo St. Peter, Director

December 2023

- 2023 -2024 openings:
FLS teacher, PRHS
Special Education Teacher, PRHS
Ed Techs throughout the district
- We were able to hire an ed tech for middle school.
- Our greatest need for ed techs are in our FLS programs.
- Our Unified Basketball team at PRHS will start their season in January 2024.
- Currently there are 302 students that receive special education services.
- PRHS special education staff in the Applied Academics Program have successfully worked to transition a student back from an out of district placement.
- BMWMS special education staff in the Social Emotional Learning Program are working to transition a student back from an out of district program. The student is attending partial days.
