

RSU 16 School Board Administrative Report

Jenny Rose
Director, Adult Education
January 2024

Happy 2024! Our Winter/Spring session will run from January 2nd through June 13th. All of our classes are listed in the brochure that may have already arrived in mailboxes. More about our programming can also be found on our website at <https://mechanicfalls.maineadulted.org/> Occasionally, we will share classes on our website that were added after the brochure was printed.

We ended December with a total of 34 enrollments; 26 students are still actively attending, while others have moved on with new goals or have stopped out. We expect to have several new students join us in January and February. Our classroom teacher, Sue Lasselle, will be out for an unexpected Medical Leave this month, so our Advisor, Suzette Moulton, and I will be covering the classroom as substitutes during her absence.

McKinney Vento Homeless Liaison Report

To date this school year, we have identified 20 McKinney Vento youth in our schools. These are students who lack a **FIXED, ADEQUATE and REGULAR** nighttime residence.
