

Meet the Teacher

Ms. Kelley

About Me

Hello! My name is Victoria Kelley. This will be my second year teaching 3rd grade here at Elm Street School! I am so excited to meet each and every one of you! I really love being outside and getting my students excited about all nature has to give us. I love reading for myself and to other people. It makes my heart happy to see kids get excited about books. I live in North Yarmouth but am hopeful to move closer to ESS.

Fun Facts

I love fishing! It does not matter the temperature or time of year, I just like being outside and enjoying nature.

I used to be a certified lifeguard.

I love ALL types of plants!

Hobbies

I love to read. I spend my summers reading on the beach and relaxing. Anything outdoors is right up my alley. I spend a lot of time at camp enjoying nature and its beauty. I also really like to cook. I have even started creating my own cook book!
