To All Regional School Unit 16 Educators,

We are writing this letter to express our sincere gratitude and appreciation for the incredible work that you all do day in and day out as educators in our district. Your dedication, passion, and commitment to our students, the education profession, and each other, is truly inspiring.

As we approach the end of another school year, we want to take a moment to reflect on the many achievements and milestones we have accomplished together. The quality of education that you provide to our students is a direct reflection of your hard work, creativity, and love for teaching. Your endless efforts to go above and beyond in helping our students grow and succeed are greatly appreciated.

Thank you for the sense of community and professionalism that you have instilled within our district. Your support for each other, willingness to collaborate and share ideas, and your positive attitude and energy have truly made a difference in the lives of our students, their families, and our community.

Please know that your work as educators is invaluable, and your impact is immeasurable. You are truly appreciated, admired, and respected for the amazing work that you do. We are proud to work alongside each and every one of you, and we look forward to the continued success and growth of our district in the years to come.

With deepest appreciation and gratitude,

Amy Hediger and Ken Healey
